REPLY TO FINAL OFFICE ACTION

Sir:

This is in response to the Final Office Action
of January 23, 2004.

Claims 29-94 and 107-122 are pending in this
application.

Claims 29-94 and 107-122 are rejected under
35 U.S.C. § 103(a) as being unpatentable over LaJoie et
al. U.S. Patent No. 5,850,218 (hereinafter "LaJoie") in
view of Wugofski U.S. Patent Application Publication No.
2002/0108110 A1 (hereinafter "Wugofski").

Applicant and the undersigned attorney wish to
thank the Examiner for the courtesies extended during the

Express Mail Label No.
EV 270261547 US

telephonic interview on the merits conducted on February 11, 2004 with the undersigned attorney.

During the interview, claim 29 was discussed in connection with LaJoie and Wugofski. The undersigned explained the patentability of claim 29 over LaJoie and Wugofski. The Examiner agreed that further review of these two references would be necessary in order to find a proper basis of rejection.

In the Examiner's Interview Summary of February 13, 2004, the Examiner indicates that claim 1 was discussed. As noted above, applicant believes the Examiner intended to indicate that claim 29 was discussed. Moreover, the Examiner's Interview Summary notes that the undersigned "argued that either LaJoie or Wugofski disclose[] 'means for designating at least one of the available media types as a preferred media type for a current viewing session independently from designating a favorite channel'" (emphasis added). Applicant believes the Examiner intended to indicate that the undersigned argued that neither of the references disclose the stated feature. This would make it a consistent account of the interview.

In view of the foregoing, applicant respectfully requests that the rejections under 35 U.S.C. § 103(a) be withdrawn.

Applicant respectfully submits that the present application, including claims 29-94 and 107-122, is in condition for allowance. Prompt reconsideration is requested.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Alex Shvarts", is written over a horizontal line.
